At the time of this printing, we have not heard from the Diocese of Cleveland regarding the date for Confirmation in 2011. The date for eighth grade graduation will be determined after the area high schools have set their dates so as to avoid a potential conflict.

\*\* The Legislature in the State of Ohio has changed the number of calamity days from five to three for the 2010-2011 school year. We may need to make up days in excess of three. We would add days to the end of our school calendar.
